

New Oak Brook Mobile App Available for Free Download

Dear Oak Brook Home Owners,

Your HOA Board is pleased to announce our new mobile app for android devices and the iOS version is available in the Apple App Store for iPhone and iPad. To install the new Oak Brook App for android devices, go to the "Play Store" and search for "**oakbrook hoa**". For the iOS app, search the Apple Store for "**oak brook hoa**". Alternately, you can use the following QR codes on your smart phone to download the appropriate app.

In summary, the app will allow you to do the following:

- One touch calling on your phone to reach our property manager (Karen Vaughn)
- Form submissions from your phone, including:
 - Service request form – request maintenance or facilities issues.
This will be handy if you are at the pool or walking the neighborhood and see an issue that needs addressing... no need to wait to get home, send from your phone!
 - Report a Deed Violation
 - Request Architectural Approval
 - Amenity Reservation Forms,
 - More...
- Access to HOA Documents including:
 - Governing documents such as the CCR's
 - Board meeting minutes
 - Survey responses
 - Quarterly Newsletters
 - More...
- A calendar function will be implemented so that you can access key dates such as:
 - The Annual Meeting
 - Pool open/closed dates
 - Neighborhood activities
 - More....
- Through an opt in function (coming soon), your property manager or board members will be able to send messages to your phones such as:
 - Reminders for the Annual Meeting
 - Issues such as unexpected pool closures,
- A photo gallery for which you can upload your favorite photos from around the neighborhood.
- Key web links to the Oak Brook HOA website managed by Goodwin.
- Ability to log-on to your account via your phone.

We are excited to be able to modernize access to our property manager and your board. Please feel free to let your Board know how you like the app, or how you might like to see it improved!
