FOR
Hunters Chase Property Owners Association, Inc.**

WHEREAS, Texas Property Code §§ 202.010 & 202.011 (or other numbered sections subsequently used to prevent confusion by the enacting of identically numbered, separate provisions) are effective immediately, allowing owners in property owner associations the limited right to install solar energy devices; and

WHEREAS, the Association desires to adopt a resolution setting forth guidelines on the enforcement of its current conditions, covenants, restrictions, and rules, and the installation of solar energy devices.

BE IT RESOLVED, that, to the extent any dedicatory instrument of the Association prohibits the installation of any Solar energy device, as defined by Section 171.107 of the Texas Tax Code (herein, "Device" or "Devices"), the Association shall enforce that restriction only to the extent allowable by law, and therefore adopts the following guidelines as follows:

1. No Device may be installed on property owned or maintained by the Association nor on property owned in common by the members of the Association.
2. All such Devices must receive architectural approval of the Association prior to installation, pursuant to the Conditions, Covenants, and Restrictions of and for the Association and any and all application procedures currently in effect.
3. No such Devices may be installed on an owner's property other than on the roof of the home, or the roof of another structure owned by the owner which is allowed under a dedicatory instrument, or in a fenced yard or patio owned and maintained by the owner.
4. If a Device is mounted on the roof of the home, it may not extend higher than or beyond the roofline.
5. If a Device is mounted on the roof of the home, it must be in the location designated by the Association unless the alternate location increases the estimated annual energy production of the device as determined by using a publicly available modeling tool provided by the National Renewable Energy Laboratory, by more than 10% above the energy production of the Device if located in the area designated by the Association.
6. The Device must conform to the slope of the roof and have a top edge that is parallel to the roofline.
7. The frames, support brackets, and visible piping or wiring must be in a silver, black, or bronze tone commonly available in the marketplace.
8. If the Device is located in a fenced yard or patio, the Device may not be taller than the fence line.

To the extent these guidelines contradict with any previous guidelines, rules, covenants, or restrictions, these guidelines shall control. These guidelines are supplementary and are in addition to any and all other covenants, conditions, restrictions, rules, and guidelines in effect for the Association.

**HUNTERS CHASE POA, INC. RESOLUTION REGARDING
DEED RESTRICTION ENFORCEMENT**

Violation Fine Policy

The Board of Directors of Hunters Chase POA, Inc. has the authority to establish rules and regulations in connection with use, occupancy, and maintenance of properties within Hunters Chase subdivision, and to impose fines or otherwise enforce the provisions of these Declarations. The Board has adopted the following procedures for imposition of fines as one means of securing compliance with the Hunters Chase's governing documents.

The Board may assess a fine against an owner for each violation of the Declaration by an owner or the owner's family, guests, tenants, or agents. Before the Board may levy a fine, it shall give to the owner written notice that:

- (a) describes the violation and states the proposed fine;
- (b) states that not later than the 30th day after the day of the notice, the owner may request a hearing before the Board to contest the fine; and
- (c) allows the owner a reasonable time, by a specified date, to correct the violation and avoid the fine unless paragraph 2 below applies.

Prior to sending the above notice, the Board shall send two warning letters (the advisory letters), no less than 10 days apart, advising of the Violation, and describing the requested corrective action.

The Board may waive sending one or both of the advisory letters for good cause, including the delivery of an advisory letter concerning a similar violation within the preceding 6 months.

The owner will not be given an opportunity to correct the violation and avoid the fine if the owner was given notice and a reasonable opportunity to correct a similar violation within the preceding 6 months.

In order to be effective, an owner's request for hearing under paragraph 1(b) above must be in writing, directed to the Association, and received by the Association by the 35th day after the date of the first notice of violation.

If an owner requests a hearing before the Board, the matter shall be scheduled for the next regular Board meeting. If the owner is unable to attend that Board meeting, the matter shall be scheduled for the succeeding Board meeting. If an owner fails to attend two such meetings, the owner will not be entitled to any further hearings, unless the Board specifically waives this provision.

No Fine shall be assessed against a homeowner prior to January 1, 2012.

The Board authorizes its enforcement agent to also enforce City of Austin code restrictions on its members.

Unless otherwise authorized by the Board, the fine schedule shall be as follows:

- (a) For the third violation: \$25.
- (b) For a fourth violation of the same provision/rule within 6 months of the first violation: \$50.
- (c) All subsequent violations of the same rule within 6 months of the last preceding violation shall incur a fine of \$100.
- (d) If a violation is of an ongoing nature (e.g. construction of improvements not authorized by the Architectural Control Committee), the Board may impose a fine that accrues daily for each day of the violation; the daily fine shall not exceed \$200 per day. The Board may enforce/collect fines through a lawsuit or any other applicable legal procedure.
- (e) After the fourth violation letter is sent, the Board reserves the right to pursue legal and other remedies to cure the violation at the property owner's expense. These fines are guidelines for standard fines only. The Board, in its sole discretion, reserves the right to levy lesser or greater fines, and provide additional warnings or fewer warnings before fines are made.

The board shall continue enforcing deed restrictions on non-member of the Hunters Chase subdivision. No fines will be assessed to those properties; however, the Board is authorized to implement judicial remedies to assist in curing Hunters Chase subdivision non-POA members.

This resolution was passed by a unanimous vote of the Board of Directors of the Association on the date set forth below to be effective September 1, 2011.
